

# A test document

## Table of contents

<b>1</b>	<b>File used to test your Quarto installation</b>	<b>1</b>
----------	---	----------

## **1 File used to test your Quarto installation**

Please compile this document into PDF to test whether you have installed Quarto and LaTeX correctly.

If no PDF file is created, please make a screenshot of the error message and post it into the forum. If a file `test.log` has been created, please also post this file alongside the screenshot.
